Summary: Thank you, Google translate NOTE: I take no credit for the original Quarter Life: Halfway To Destruction story, I just made it have worse grammar. Enjoy!

Quarter Life: Halfway To Destruction (Even Worse Grammar)

Quarter-Life: Halfway to Destruction

ATUHOR NOSE:

>Uncycylopedia (which is online as encyclopidia wikiped) said I was writing story called Quarter-Life: Halfway to Destruction and dontn't know where to come, but I decided to write anyway.<p>

CHAPTER ONE: WHAT IT MEANS

>Gordon Freechmen was investigated in the study was laboratoried.
Fellow scientist cow-orker Jimm said "Gordon Freemant What are you working on"
>"UI have discovered a new isotope radoactive volley but it is so it does not have a half-life, but a quarter of life so we must observe with hasty"
Juts then a Headcrab Jimms then head OH NO HOW DID COME Headcrab! Wents GHordon for his crowbarb ut it was missing so hhad borrow a claymore weapon. He hits teh Headcrab and Jimm was okay but his head was cut
>"Watch where you balance fun I thank you"
"Haha" They laughed

>"Oh no Whait where id isotope?"
"UIt has been stoled!"

CHAPTER TWO: THEY REVOCER TEH ISOTROPIC but they

>Gordon and Jimm arrived at teh alien scene where a bad game said: "I take the isotope and it will fit!"
"Not all of Dallas!" Which SWAS target where they were and what was the right place and my friend lives there.

>"IF YOU DO NOT AGREE WITH MY DEMANS"
"TOO LATE" and the isotope Quarterlife success and teh room was slowly become vaporize

>"Ew must escapes here fastly" but Jimm was already blown
smitheroons.<p>

CHAPTER THREE: IS DESTRUACTION IMMINANT

>"This is Gordon Freeman how do we understand teh collapse? I know!
>
And he used portals to push henemy headquarters in Dallas
wouldnt melt portal and it turns off harmless in Atlantic ocean.

>"Hooray, I scucceeded win the mission"
"Not so fast, Mr.
Gordon"

What happens next? Deiside you!

Tahnks for reading please buy my book peterchimaera com I am poor.:
